Yeah, you can be the greatest,
You can be the best
You can be the King Kong banging on your chest

You can beat the world,
You can beat the war
You can talk to God,
Go banging on his door

You can throw your hands up,
You can beat the clock
You can move a mountain,
You can break rocks

You can be a master,
Don't wait for luck

Dedicate yourself and
you gon' find yourself
STANDING IN THE

ALL:

I will remember you
Will you remember me?

LEFT SIDE:

It's been a long day
without you, my friends
And I'll tell you all about it when I see you again

RIGHT SIDE:

We've come a long way
from where we began
Oh, I'll tell you all about it when I see you again

ALL:

When I see you again

LEFT SIDE:

Another turning point,
a fork stuck in the road
Time grabs you by the wrist,
directs you where to go

RIGHT SIDE:

So, make the best of this test,
and don't ask why
It's not a question,
but a lesson learned in time

ALL:

It's something unpredictable,
but in the end it's right
I hope you had the time of your life

LEFT SIDE:

I've...
had the time of my life
No, I never felt like this before
Yes, I swear
it's the truth...
And I owe it all to you

RIGHT SIDE:

I've...
had the time of my life
No, I never felt like this before

LEFT SIDE:

Forever young,

ALL:

I wanna be forever young

LEFT SIDE:

Do you really want to live forever,

RIGHT SIDE:

forever,

LEFT SIDE:

and ever?

RIGHT SIDE:

I will remember you
**fade in next verse*

LEFT SIDE:
